7.1	General (Remark: The manufacturer shall mark the warnings in a clearly visible, easily legible and understandable and accurate manner on the product, on an affixed label or on the packaging.  In addition, the warnings shall be included in the instructions for use which accompany the product.  A toy shall not bear a warning that conflicts with the intended use of the toy, as determined by virtue of its function, dimension and characteristics.  The warnings shall be preceded by the words "Warning" or "Warnings", as appropriate. The word "Warning" or "Warnings" may be followed by e.g. an exclamation mark.  Warnings which determine the decision to purchase the toy shall appear on the consumer packaging or be otherwise clearly visible to the consumer before the purchase.  Small toys that are sold without packaging (for example from a display box or from a vending machine) shall have the appropriate warnings affixed to them. In all cases the warning shall be clearly legible at the point of sale. It is not sufficient to place the warning(s) only on a display box.  NOTE The requirement that warnings must be clearly visible to the consumer at the time of purchase applies also in cases where the purchase is made on-line (e.g. internet) or by catalogue or by other means where the buyer does not have access to the toy at the time of purchase.)
